

ALTERNATIVE FUELS

LIBRARY RESEARCH ASSIGNMENT

Go to the Library & Research alternatively fueled vehicles.

Write a report on one of the two following options:

- (1) Compare 2 alternative fueled vehicles and explain which one is better.
- (2) Choose 1 alternatively fueled vehicle that you would buy explaining why.

Report Expectations:

- Explain in detail how the alternatively fueled vehicle(s) you choose work.
- Explain both the pro's and cons of the alternatives.
- Explain how they improve vehicle emissions and in turn how they lessen the impact on the environment
- Add Diagrams/graphics if you wish.

Report format:

- Preferably typed
- Double spaced
- Title page (with your name, course, topic, and date)
- Approximately 3 pages in length (no less than 2½)
- Cite your sources! It's Ok to use someone's information if you say (i)what is from them (ii)where you got it.

Plagiarism:

- ***DO NOT PLAGERIZE****
- Plagiarism= 0 marks

Due Date:

- Monday December 15th
